Aman Orange

Andy's 40

Amish Gold Slicer

Beautiful 3 to 4" round slicer, that's been a trial favorite year after year. Fruits are blemish free, very firm and have excellent flavor. Great for fresh eating and canning. Extremely productive.

65

I

Andy's 40

Dwarf plant. Fruit is oblate shaped, brown colored with vertical green stripes. Range from 4 to 8 oz in weight. Mild, slightly sweet flavor

40-75

I

Brandywine Red & Yellow

Big Beef

Hybrid, 10-12oz red fruit, globed shaped, full flavor, ripen early.

70

I

Brandywine Red & Yellow

Heirloom Amish heirloom generally considered to be the world's best-flavored tomato. Plants look like potato vines with good yields of extra-large (up to 2 lbs) fruit. Firm, clear-skinned, rosy pink or yellow.

90

I

Amish Gold Slicer

Big Beef

Bush Early Girl

The 4" across tasty red fruits are much bigger than Early Girl. 18" plants. Multiple disease resistances. Perfect for containers. Bush Early Girl bears a surprising number of delicious tomatoes in a small garden or a pot.
